The ICCCEE22 is co-sponsored by IEEE and IEEE Sudan subsection. The conference will be organized by Jordanian Sudanese College for Science and Technology (JSCST) at the college building. The conference is planned to be a platform for researchers from across the globe to exchange their research findings and discuss possible future developments. An additional aspect of the conference is to provide a stimulating environment for research students and early career researchers to acquire the necessary research skills needed to explore the discussed areas. The official language of the conference is English. The ICCCEE22 Proceedings, containing the papers presented at the conference, will be submitted for indexing to the IEEE Explore® Digital Library registered under IEEE Conference.
